

Weybridge in Bloom- Business Donations

Weybridge in Bloom is a community project aimed at increasing civic pride in our town. We are a proactive and sociable group looking to encourage residents and businesses to join us and become involved in making Weybridge a more attractive and greener place to live, work and do business. Our volunteer gardening teams, sporting their green WiB vests, are frequently acknowledged and thanked by passers-by and we have good support and recognition in the community

Weybridge in Bloom's profile has grown considerably as have the number of volunteer gardeners and the sites we care for. For WiB to continue to enhance the Weybridge townscape and create attractive spaces we need to raise funds.

We would like to invite businesses to join us by making an annual donation to support our initiative.

For a minimum donation of **£100**, we will include your business details on our website and will run year-round promotion via our social media. In addition, we will advertise your brand on our display board during local events in which we participate in Weybridge.

We would be grateful for your financial contribution and strive to make a difference to your business.

You can make a payment directly to our bank account: Weybridge In Bloom CIC
